"Natalie has a discerning, creative eye. She is a great curator, and I am never bored when I am in her shop. I enjoy checking out the new ways she mixes tableware, and arranges such beautiful vignettes."
Jennifer Rowland Clapp, Interior Designer

Translated from Dutch to English, "lekker" means alluring, enticing, attractive and tempting; and Lekker Home is all that, and more. Originally from Amsterdam, owner Natalie van Dijk Carpenter chose Boston's South End as the place to present her unique design aesthetic and retail philosophy. In a comfortable environment, you'll find original, thought-provoking, quality products...and no sales pressure. According to Natalie, Lekker Home is a place to expand one's creativity, absorb new ideas, explore new products and introduce them into your own "lekker" home. How enticing!
